ST. LUCE, Ralph P; (Portsmouth); **M.D.**, DABFP, FAFFP;
MD at UWI.

VIDAL, Gregory; (Portsmouth); Residence: New Orleans LA; **BS, MS, PhD**
Tel: 504-909-1701

After completing a BS in Biology, research came calling and I completed a MS in genetics with emphasis on hemoglobin genetic pathologies at the university of Mississippi (1995-2001). From there I transferred to Tulane University Health Sciences Center (TUHSC) of New Orleans Louisiana where I fulfilled a PhD requirement in Structural and Cellular Biology with emphasis in Breast Cancer (2001-2005). I later enrolled in the MD program at TUHSC and am currently beginning my 4th year and final year (2004-present). My future plans involve being board certified in hematology and medical oncology doubling as both a cancer researcher and clinician. Publication: DNA and Cellular Biology, Journal of Cell Biology, Journal of Biological Chemistry, Cancer Research journal and Oncogene Journal. I have given several oral and abstract presentation of my work at national scientific conferences around the US. Lagniappe: Having been a victim of the incredible Storms Katrina and Rita in New Orleans, I have a unique insight into the successes and inadequacies of government and its role in our daily lives.

WARRINGTON, Lorden R. (Marigot); **MPT**
